END OF YEAR NEWSLETTER 2022
(and once a year fundraising letter)

2022 has been quite a year. Even with inflation and turmoil everywhere your generosity made it possible to fund 2 schools.

A new school in Debela, Mali has just been completed. It will serve 61 students (30 girls) with 4 grades and 3 teachers. The community contributed the land and natural resources such as sand, water, and gravel. Six men and six women were selected to form a Project Leadership Committee to oversee the construction, Fataoumata Traore was the Vice-President. Through her enthusiasm she was able to emphasize the value of formal education and mobilize the women of Debela to safely participate at the worksite. 1,577 volunteer work days were contributed.

The Kavunguti Primary School in Malawi was operating almost exclusively out of temporary buildings. Three permanent classrooms were constructed in 2021. Currently under construction is an addition that will replace the remaining five temporary buildings. When this phase is completed it will serve 1,320 students (710 girls) with 8 grades, and 37 teachers.

Finally, some bitter sweet news. We lost one of our long time loyal supporters recently. Susan Draper was a dear friend and classmate of Jon's since their first days in kindergarten. She will be greatly missed. However, thanks to her incredibly generous bequest there will be two new schools built in her memory! Many children will be directly impacted by her generosity throughout their lives.

With so much need we are especially grateful for your continued help.

Secretary and CFO
